

MODEL 555SS Hot-Water Pressure Washer

North America's #1 Manufacturer
of High-Quality Cleaning Equipment

Electric / Direct Drive

Hose reel (optional) makes hose mobility and storage easy and convenient. Also keeps work areas neat and safe while protecting hoses from damage

Thermal rupture disk protects the machine and user from thermal expansion

50-ft. length of high-pressure hose for easy maneuverability around a large cleaning area

Stainless-steel coil skin provides extra durability to withstand the elements

Upright, oil-fired burner delivers high efficiency and maintains constant temperature using diesel fuel, kerosene or home-heating oil

2 HP, 115V, 1PH electric motor is drip proof and comes with thermal overload protection and manual reset

Heater coils carry a 5-year warranty

Convenient hose-reel bracket accepts swivel or stationary reels for ease in hose maneuverability and storage

Adjustable upstream detergent injection ensures high-pressure sudsing for better cleaning

Simple, easy-to-use control panel includes adjustable temperature control plus heavy-duty heater and pump motor switches

Rust-proof, non-contaminating polyethylene fuel tank includes easy-access sediment drain and fuel gauge in cap

Built-in wand holder provides convenient storage

37-ft. power cord with safety **Ground Fault Circuit Interrupter** (GFCI breaker)

Semi-pneumatic tires eliminate the risk of flats

Heavy-duty trigger gun and wand with insulated cool grips

Adjustable, spray-angle nozzle with 0° to 80° spray patterns adjusts easily under high pressure

Hotsy duplex, direct-drive, positive-displacement pump carries seven-year crankcase and lifetime manifold warranties

FEATURES

- 2.2 GPM @ 1300 PSI / Direct-Drive Pump
- Oil-Fired Heater
- 7-Yr Pump Warranty
- ETL-Certified to UL-1776 safety standards

Dimensions: 42"l x 29"w x 49"h

Clean better with Hotsy detergents

Hotsy pressure washers and parts washers clean best when matched with specially formulated Hotsy detergents. More than 40 liquids and powders meet every cleaning need imaginable. Nearly all contain Hotsy's exclusive advanced-formula HCC additives to help prevent scale build-up and to fight corrosion in your equipment. Most Hotsy detergents are USDA and Canadian Agriculture approved. All are highly concentrated, so a little goes a long way.

Spend some time with a Hotsy Expert

Hotsy has more than 130 local distributors in North America, all factory-trained to properly evaluate your high-pressure cleaning needs. Over 80% of Hotsy's distributors have been supporting Hotsy systems for more than 20 years.

This seasoned network of local service professionals will ensure you get the safest, most effective and most efficient cleaning solution to your specific cleaning need.

OPTIONS

- 8" Oil-Fired Draft Dampener

Hotsy Accessories customize your application for top performance

360° Pivot and non-pivot hose reels keep hose neatly stored and shop areas safe

High-pressure turbo nozzles for faster cleaning

Telescoping wands extend to 24' to reach high places without scaffolding

Heavy-duty high-pressure hoses in lengths up to 150-ft.

Rotary surface cleaner attaches to your pressure washer; reduces overspray and zebra striping
